Dear parent / carer

Over the last couple of weeks your child has participated in our 'Reading Plus' scheme in their English lessons. This is an adaptive literacy online platform that improves fluency, comprehension, vocabulary, stamina, and motivation.

All schools within our Trust are using this platform to aid students in becoming the best readers they can be, and we would like your child to use the program outside of school too as part of their homework.

Reading Plus assignments can be completed outside of school on a computer or tablet with Internet access. The program can be accessed at [login.readingplus.com](http://login.readingplus.com) using the site code [rphesslehi](http://rphesslehi). Your child should then use the username and password they have been given.

Assignments in each component can be completed in any order, but please remind your child that Reading lessons (SeeReader) are the most important assignments. The program will keep track of assignments completed each week as well as your child's progress towards overall lesson goals.

Progress will be monitored in school and rewarded using our Reading Rewards system.

If you have any further questions, please do not hesitate to contact me.

Yours faithfully

Mrs G Riches

Reading Lead and Teacher of English and Sociology
