School Bus Travel – Changes to payment options

Dear Parent/Carer

In order to support our students to attend school safely and on time, we work with East Yorkshire Motor Services to provide four dedicated school buses (H1-H4).

Although fares are heavily subsidised by the Academy, the cost of transport and associated expenses are increasing and therefore, after conducting a thorough review of our services, the school unfortunately has no choice but to increase the price of our school bus fare to continue this dedicated service. We have removed the tiered pricing of travel to align with other EYMS bus services, so there is one fixed price for travel on all of our school buses.

To further improve the efficiency of our bus travel, you will now be able to purchase single or weekly school bus tickets directly from the EYMS App, as well as still having the option to purchase single/return tickets directly from the bus driver (cash or card). This has also removed the need for the school to issue termly bus passes, as the weekly pass offers a reduced-price ticket in comparison to our single fare rates. In addition, the App will allow users to live track the school buses so you can see where each one is located at any one time.

Bus Fares

Our newly revised pricing and purchase options from September 2026 are detailed below:

Ticket type	Restrictions	Cost	Purchase Type
Single Journey	-Any school bus from/to any stop (one way)	£1.60	On the bus Via the App
Same Day Return	-Any school bus from any stop to school and back -Must be used on the same day*	£3.00	On the Bus only
10 x Single Journey bundle	- Any school bus from/to any stop (one way) -No expiry -Ideal for ad hoc usage	£16.00	App Only

Weekly ticket	-Any school bus return journeys to/from school within one week -Valid for 5 consecutive school days	£15.00	App Only

* If a return ticket is purchased, the ticket must be retained for the return journey home; failure to do so will result in an additional charge.

Bus Routes

There are no changes to our current bus routes, details of which are below.

What does this mean for me?

As from September 2026, you will be able to purchase school bus tickets and live track the school buses directly via the EYMS App. A dedicated link to the App and supporting guidance will be shared prior to the start of the Autumn term. There will be no termly bus passes issued by the school.

Yours faithfully
