Dear parent / carer

We are pleased to inform you that we will be holding an Enterprise Day run by FEO for all Year 10 Business students on **Thursday 8 October 2026**.

FEO will be visiting school to offer students the opportunity to participate in an FEO Next Generation Day. This is a fantastic day offered by successful entrepreneurs within the local area who will share their experiences of running their own business and give students the opportunity to experience being an entrepreneur for the day.

Students will be off timetable all day and working in small groups, developing, with the support of local entrepreneurs, a business idea for a given concept. Students will then be given the opportunity to present their ideas to entrepreneurs.

Tutor, break and lunchtime arrangements are as usual, and the day will finish at **3.00pm**, so students are able to access their normal travel arrangements.

As we have external visitors on site, we will expect students to display our high standards of uniform and behaviour throughout the day and any students who do not follow this, risk being removed from the day and will return to lessons.

If you have any questions about the day, please contact office@hessleacademy.com

Yours faithfully

Mrs Smith
Teacher of Business
